

CATHEDRAL AT THE MOVIES

Part
3

Jurassic World

This weekend Pastor Ken continued the series, Cathedral at the Movies. We are looking at themes of a few of this summer's movies and what the Bible has to say about them. Over these weeks, we invite you to journey with someone at work, your family, or find a place to do it alone or with a friend. Let's grow and do life together during this series.

Thou art worthy, O Lord, to receive glory and honor and power:
for thou hast created all things, and for thy pleasure they are and
were created. Revelation 4:11

1. The theme this week came from the movie Jurassic World Dominion. What does it mean for human beings to have dominion? God created humans in His own image to rule under Him as managers of His creation (read Genesis 1:26-28).
2. One way that we have dominion is by taking care of God's creation. He created us to take care of His creation (read Genesis 2:7-8 and 15-17). What can you do this week to take care of the world that God created? Maybe you could pick up litter, save water, and recycle.
3. The second way that Pastor Ken talked about is to take charge of yourself. How can you exercise your authority this week by taking charge of your appetite, spending, exercise, or social media?
4. The third way that we can have dominion is by exercising our authority over the devil (read Luke 10:19). We have been given authority over the enemy's power. Where has the enemy had dominion over you? This is the day to exercise your authority and take dominion over the enemy. Take dominion over the lies, the trouble, and any discouragement in your life by the grace of God.
